Ensemble Participation Agreement

1. Each student who registers for an ensemble must commit to a minimum of 2 rehearsal dates at the time of registration.
 - a. All students are encouraged to attend all 4 rehearsal dates if his/her schedule allows.
 - b. Solo opportunities will only be offered to students who attend 3 or more rehearsal dates within the current semester.

3. All students who register for the ensembles will be required to participate in group activities such as vocal warm-ups, simple choreography, section rehearsing, group rehearsing, etc.
4. Students will be encouraged to practice on their own time to ensure that the group's performance is up to standard.
5. Restroom and snack breaks are allotted within the rehearsal schedules. Students are asked to not exit or re-enter the rehearsal space other than those allotted times. If there is an emergency, the teacher will respond accordingly.
6. If your student refuses to participate or is causing a distraction for the group, we reserve the right to contact the designated responsible party. That student will be sent home and a refund will not be given.
