8 Week Session Registration Agreement

Each 8-Week session's dates will be posted on the Harmony Music Academy website for reference. Upon registration for a session, it is understood that 1-time, non-refundable registration fee of \$20 will be charged. The tuition cost will cover each Monday & Wednesday for the duration of the 8 weeks selected upon registration. This charge is also non-refundable except in the event of an emergency, or extenuating circumstances that the child is no longer able to participate. In the event a student must drop out of an 8-week session, a 7-day notice is required to be eligible for a refund.

Upon registration for a specified session, you have automatically reserved your child's place in each of the classes and are not required to call ahead for attendance. However, it is requested that you call ahead if your child is unable to participate in a class so that another student may use that spot for the day. Classes will be limited to 8 children at a time, with exceptions made only in the case of siblings being the 8th and 9th students. Because of this limitation, it is important to be courteous regarding expected absences.

In the event a child is unable to participate on any specified date, there will unfortunately not be any reschedule options due to the 8-week lesson plan structure. As additional class times are added in the future, this policy may be revised.

As the lesson calendar evolves throughout the year, HMA tots may be occasionally scheduled to skip a class due to the facility's other needs. These scheduled closures will NOT be included in the 8 weeks and the calendar will be adjusted accordingly.

Harmony Music Academy is closed for normal programs on Memorial Day, Labor Day, 1 week for Thanksgiving, and 2 weeks for Christmas/New Year's Day.
